Part X - FIN 48 Footnote

The Foundation qualifies as a tax-exempt organization as described in Internal Revenue Code Section 501(c)(3). The Foundation only recognizes the tax benefit from an uncertain tax position taken or expected to be taken in a tax return if the tax position is more likely than not to be sustained upon an examination, based on the technical merits of the position. Management has analyzed tax positions taken for filings with the Internal Revenue Service and all state jurisdictions where the Foundation operates. Management believes that income tax filing positions would be sustained upon examination and does not anticipate that any adjustments would result in a material adverse effect on the Foundation's financial condition, results of activities or cash flows. Accordingly, the Foundation has not recorded any reserves, or related accruals for interest and penalties, for uncertain income tax positions at December 31, 2024.
